1. We all came out to Montreux
On the Lake Geneva shoreline
To make records with a mobile
We didn't have much time
Frank Zappa and the Mothers
Were at the best place around
But some stupid with a flare gun
Burned the place to the ground

2. They burned down the gambling house, it died with an awful sound
Funky & Claude was running in and out, pulling kids out the ground
When it all was over, we had to find another place
But Swiss time was running out
It seemed that we would lose the race
Smoke on the water, fire in the sky
3. We ended up at the Grand Hotel, it was empty cold and bare
But with the Rolling truck Stones thing just outside
Making our music there
With a few red lights and a few old beds, we make a place to sweat
No matter what we get out of this, I know we'll never forget
Smoke on the water, fire in the sky
