

Hmi
1. Hello.

Hmi **A**
Is there anybody in there?

G **Emi**
Just nod if you can hear me

Hmi
Is there anyone home?

2. Come on, now

I hear you're feeling down

Well I can ease your pain

Get you on your feet again

3. Relax

I need some information first

Just the basic facts:

Can you show me where it hurts?

D **A**
R: There is no pain, you are receding

D **A**
A distant ship's smoke on the horizon

C **G**
You are only coming through in waves

C **G**
Your lips move but I can't hear what you're sayin'

D **A**
When I was a child I had a fever

D **A**
My hands felt just like two balloons

C **G**
Now I got that feeling once again

C
I can't explain, you would not understand

G
This is not how I am

A G **D** **A**
I have become comfortably numb

4. OK, just a little pinprick

There'll be no more – aaaaaahhhhh!

But you may feel a little sick

I do believe it's working, good

That'll keep you going for the show

Come on, it's time to go

R: There is no pain, you are receding

A distant ship's smoke on the horizon

You are only coming through in waves

Your lips move but I can't hear what you're sayin'

When I was a child I caught a fleeting glimpse

Out of the corner of my eye

I turned to look but it was gone

I cannot put my finger on it now

The child is grown, the dream is gone

I have become comfortably numb
