

1. Hey Jude, don't make it bad
 take a sad song and make it better
 Remember to let her into your heart
 Then you can start to make it better

2. Hey Jude don't be afraid, you were made to go out and get her
 The minute you let her under your skin, then you begin to make it better

R: And any time you feel the pain, hey Jude refrain,
 Don't carry the world upon your shoulders
 For well you know that it's a fool who plays it cool
 By making his world a little colder
 Da da da da da da da da

3. Hey Jude don't let me down, you have found her now go and get her
 Remember to let her into your heart, then you can start to make it better

R: So let it out and let it in hey Jude begin
 You're waiting for someone to perform with
 And don't you know that it's just you, hey Jude, you'll do!
 The movement you need is on your shoulders
 Da da da da da da da da

4. Hey Jude don't make it bad, take a sad song and make it better
 Remember to let her under your skin, then you'll begin to make it better
 Better better better better better oh.
