Don't worry be happy

In every life we have some trouble

When you worry you make it double

Don't worry, be happy (don't worry, be happy now)

R: Don't worry

Be happy

Don't worry, be happy

Don't worry

Be happy

Don't worry, be happy

2. Ain't got no place to lay your head

Somebody came and took your bed

Don't worry, be happy

The landlord says your rent is late

He may have to litigate

Don't worry, be happy

(Look at me I am happy)

R: Don't worry, be happy

Here, I give you my phone number

When you worry call me

I make you happy

Don't worry, be happy

3. Ain't got no cash, ain't got no style  
Ain't got no girl to make you smile  
But don't worry be happy  
Cause when you worry your face will frown  
And that will bring everybody down  
So don't worry, be happy  
(Don't worry, be happy now)

R:

4. Now there is this song I wrote  
I hope you learn it note for note  
Like good little children  
Don't worry, be happy  
Listen to what I say:  
In your life expect some trouble  
When you worry you make it double  
But don't worry  
Be happy, be happy now

R:

5. Don't worry  
Don't worry, don't do it, be happy  
Put a smile on your face  
Don't bring everybody down like this

It will soon pass, whatever it is  
Don't worry, be happy  
I'm not worried, I'm happy

2. There's so many times I've let you down

So many times I've played around

I tell you now, they don't mean a thing

Every place I go, I'll think of you

Every song I sing, I'll sing for you

When I come back, I'll wear your wedding ring

Then close your eyes, I'll be on my way

And gather it all in a bunch of heather

Then she'll be a true love of mine

2. When he knocked on my door and entered the room  
My trembling subsided in his sure embrace  
He would be my first man, and with a careful hand  
He wiped the tears that ran down my face

R:

He:

3. On the second day I brought her a flower  
She was more beautiful than any woman I'd seen  
I said: "Do you know where the wild roses grow  
So sweet and scarlet and free?"

Elisa:

4. On the second day he came with a single rose  
Said: "Will you give me your loss and your sorrow?"  
I nodded my head, as I lay on the bed  
He said: "If I show you the roses will you follow?"

Elisa:

5. On the third day he took me to the river

He showed me the roses and we kissed

And the last thing I heard was a muttered word

As he stood smiling above me with a rock in his fist

He:

6. On the last day I took her where the wild roses grow

She lay on the bank, the wind light as a thief

And I kissed her goodbye, I said: "All beauty must die"

And I lent down and planted a rose 'tween her teeth

1. Made a wrong turn, once or twice. Dug my way out, blood and fire

Bad decisions. That's alright, welcome to my silly life

Mistreated, misplaced, misunderstood. Miss "No way it's all good"

It didn't slow me down. Mistaken. Always second guessing

Underestimated, look, I'm still around

R: Pretty, pretty please, don't you ever, ever feel

Like your less than, fuckin' perfect

Pretty, pretty please, if you ever, ever feel

Like your nothing, you're fuckin perfect to me

2. You're so mean. When you talk about yourself, you are wrong

Change the voices in your head. Make them like you instead

So complicated. Look happy, you'll make it

Filled with so much hatred. Such a tired game

It's enough. I've done all I can think of

Chased down all my demons. See you do the same

R:

3. The whole world's scare so I swallow the fear

The only thing I should be drinking is an ice cold beer

So cool in line and we try, try, try

But we try too hard, it's a waste of my time

Done looking for critics, cuz they're everywhere

They don't like my jeans, they don't get my hair

Exchange ourselves and we do it all the time

Why do we do that

Why do I do that

Why do I do that

R:

**Hmi**

2. Come on, now

Well I can ease your pain

Get you on your feet again

3. Relax

I need some information first

Just the basic facts:

Can you show me where it hurts?

**D**

**A**

R: There is no pain, you are receding

**D**

A distant ship's smoke on the horizon

**C**

4. OK, just a little pinprick

There'll be no more – aaaaaahhhhh!

But you may feel a little sick

Q: Can you stand up?

I do believe it's working, good

That'll keep you going for the show

Come on, it's time to go

R: There is no pain, you are receding

A distant ship's smoke on the horizon

You are only coming through in waves

Your lips move but I can't hear what you're sayin'

When I was a child I caught a fleeting glimpse

Out of the corner of my eye

I turned to look but it was gone

I cannot put my finger on it now

The child is grown, the dream is gone

I have become comfortably numb
