1. Here's a little song I wrote
Ami
You might want to sing it note for note
C **G**
Don't worry be happy

In every life we have some trouble

When you worry you make it double

Don't worry, be happy (don't worry, be happy now)

R: Don't worry

Be happy

Don't worry, be happy

Don't worry

Be happy

Don't worry, be happy

2. Ain't got no place to lay your head

Somebody came and took your bed

Don't worry, be happy

The landlord says your rent is late

He may have to litigate

Don't worry, be happy

(Look at me I am happy)

R: Don't worry, be happy

Here, I give you my phone number

When you worry call me

I make you happy

Don't worry, be happy

Ain't got no girl to make you smile

But don't worry be happy

Cause when you worry your face will frown

And that will bring everybody down

So don't worry, be happy

(Don't worry, be happy now)

R:

4. Now there is this song I wrote

I hope you learn it note for note

Like good little children

Don't worry, be happy

Listen to what I say:

In your life expect some trouble

When you worry you make it double

But don't worry

Be happy, be happy now

R:

5. Don't worry

Don't worry, don't do it, be happy

Put a smile on your face

Don't bring everybody down like this

R: Don't worry

It will soon pass, whatever it is

Don't worry, be happy

I'm not worried, I'm happy
