1. **C** So, so you think you can tell **D**  
**Ami** Heaven from hell, blue sky from pain **G**  
**D** Can you tell a green field from a cold steel rail **C**  
**Ami** A smile from a veil  
**G** Do you think you can tell?

2. And did they get you to trade your heroes for ghosts  
Hot ashes for trees, hot air for a cool breeze  
Cold comfort for change and did you exchange  
A walk on part in the war  
For a lead role in a cage?

3. How I wish, how I wish you were here
- We're just two lost souls swimming in a fish bowl, year after year
- Running over the same old ground, what have we found?
- The same old fears
- Wish you were here!
