I'm torn

1. I thought I saw a man brought to life He was warm, he came around like he was dignified He showed me what it was to cry Well you couldn't be that man I adored You don't seem to know. Don't seem to care what your heart is for But I don't know him anymore There's nothing where he used to lie My conversation has run dry That's what's going on Nothing's fine F I'm torn R: I'm all out of faith, this is how I feel I'm cold and I am shamed, lying naked on the floor Illusion never changed into something real I'm wide awake and I can see the perfect sky is torn You're a little late, I'm already torn 2. So I guess the fortune teller's right I should have seen just what was there and not some holy light But you crawl beneath my veins and now I don't care, I have no luck I don't miss it all that much There's just so many things That I can't touch
