1. I'm sitting here in a boring room
         Dmi                      A7
   It's just another rainy Sunday afternoon
         Dmi                  Ami
   I'm wasting my time I got nothing to do
         Gmi                 A7
   I'm hanging around and I'm waiting for you
          Gmi                    A7      Dmi   Ami Dmi
   But nothing ever happens – and I wonder
```

2. I'm driving around in my car, I'm driving too fast and I'm driving too far

   I'd like to change my point of view, I feel so lonely, I'm waiting for you

   But nothing ever happens – and I wonder

```
        F           C
R: I wonder how, I wonder why
   Dmi                         Ami
   Yesterday you told me 'bout the blue blue sky
        B          C            F          C
   And all that I can see is just a yellow lemon tree
         F             C
   I'm turning my head up and down
        Dmi                       Ami
   I'm turning turning turning turning turning around
        B          C               F
   And all that I can see is just a yellow lemon tree

   But there's a heavy cloud inside my head, I feel so tired, put myself into bed

   Where nothing ever happens – and I wonder

```
A7           Dmi
Isolation – it's not good for me
C          F      B      A7

```

5. I'm steppin' around in a desert of joy, baby anyhow I'll get another toy

   And everything will happen – and you'll wonder
