```
   G7              C
1. Yes, it's a good day for singin' a song
              G7              C
   And it's a good day for movin' along

   Yes, it's a good day, how could anything go wrong
     G7                              C
   A good day from mornin' till night

2. Yes, it's a good day for shinin' your shoes

   And it's a good day for losin' the blues

   Ev'rything to gain and nothin' to lose

   'Cause it's a good day from mornin' till night

     C7                      F              Fmi
R: I said to the sun: "Good mornin', sun
   Dmi7                  G7
   Rise and shine today
              C6  C    C6 Cdim
   You know you've gotta get goin'
   Cdim
   If you're gonna make a showin'
   F                     Dmi7              G7
   And you know you've got the right of way"

3. 'Cause it's a good day for payin' your bills

   And it's a good day for curin' your ills

   So take a deep breath and throw away your pills

   'Cause it's a good day from mornin' till night
```

(solo)

R:

4. = 1.
